“Community Playgroup at the West Midland Family Center”

Free Playgroup!

Hello Parents,

My name is Tammy Screws and I am the Volunteer Playgroup Coordinator at West Midland Family Center. Sometimes it seems as if my home is a snow globe that has been tipped upside down and everything has landed as snowflakes- everywhere (just after I finished cleaning the house)! I am married with three kids (& three pets) and my life is very busy, as I am sure you can relate. There are always things that need to be done at work and around the house which is why I must intentionally spend quality time investing in my children.

My youngest son is my “playgroup junior assistant” for a third year now. Once a week, on **Fridays from 10-11:30am**, we get out of our chaos and enjoy playing together at the West Midland Family Center.

At WMFC playgroup we offer story time, arts and crafts, activities, music, and a healthy snack. We meet in the three year old preschool classroom which has multiple exploration areas. If your child is under three we also have access to a range of toys and equipment from our childcare wing. Parents and kids (birth thru 5 years old), please join my son & I on Fridays for a morning out at the West Midland Family Center. Even if you have a young infant who is not yet socializing and you need time out with other parents, please join us! There are no income or residency requirements and this weekly event is free to the whole community.
